

You you were to be killed and would you be they'll do what you see don't do what  
you the don't do what you see you don't see what you want to see you don't see  
what you don't see mount Si is the ones you see used is a new home June the  
DNA that's my need the June demo DJ that's money in the June during the June  
that's mind the June the Guardian in any entity in the idea in the media and was  
Monday June could begin the day you did in
